The vehicle break-ins have increased in the gorge area. Fortunately, our newly formed Citizen Patrol will soon be out in full force. We still have applicants in the background check process. You will soon see these volunteers donned in their lime green fluorescent vests at various parking lots and trailheads in the gorge. Their primary mission is to deter vehicle break-ins and other crime via their presence. They have been trained in observation, documenting and reporting techniques. It is our hope that this newly formed unit will reduce gorge area crime.

Also, a very big thank you the owner of Crown Point Refuse and Recycling, Randy Burbach. He graciously donated \$1000 towards the design and purchase of a video surveillance system that will be used in the gorge. This system will assist us in identifying persons and vehicles involved in the numerous vehicle- break-ins.

Our entire agency has either been involved in the Kyron Horman investigation or supported it in some manner. Many of our deputies have children of Kyron's age and we have all been affected. We continue to seek a resolution in this matter.

To Whom It May Concern:

Crown Point Refuse and the Burbach family are providing a \$1000.00 donation to Multnomah County Sheriff's office to provide funding for a surveillance camera system, that is to be utilized in East Multnomah County. Officer Graziano is coordinating the effort in response to various crimes in the Gorge area. We support and thank Rocky and the sheriff's office for helping create the citizens patrol. We believe a camera system will be a valuable tool in your crime prevention/apprehension work.
Go Get Em!
