

2nd Annual Community Day of Service Scheduled for Saturday, May 7th

Dear friends, neighbors, teachers, students, alumni, and families of children in Corbett Schools,

With more cutbacks in funding, the Corbett Schools Community Day of Service (from 9 am until noon) has become more important than ever. There are a large number of projects that need to be completed to support ongoing grounds maintenance.

We are asking for all Corbett alums, every Corbett student and their parents, to join us. Community organizations, area churches, and local businesses will be invited as well. As noted below, there will be plenty to do, with adequate supervision provided by CAA.

Certificates of Community Service will be given to all volunteers. Students, community service makes a great addition for your letters to prospective schools and resumes.

We will need approximately 175 people to be successful. The projects include:
