

The Multnomah County Sheriff's Office and its Citizen Patrol volunteers offer visitors the following tips:

- Do not "hide" valuables under a seat, jacket or in the trunk
- An empty purse or bag left in open view or "hidden" under a blanket may still attract a thief
- "Smash and grabs" occur quickly. Several may occur in one parking lot in a matter of minutes
- Trunk and door locks do not prevent break-ins
- DO NOT LEAVE VALUABLES UNATTENDED!
