This month our area experienced the tragedy of Whitney Heichel's death and her body recovery on Larch Mountain. Our agency played an active role in the investigation and recovery. We also had many young Search and Rescue Explorers conducting searches in the difficult terrain. "Bullet", the owner of the Big Bear Market, the Corbett Grange and the Troutdale Godfather's Pizza (on Cherry Park) graciously donated food and pizza and drinks to our searchers who spent many long hours throughout the day and night on Larch Mountain.

I also wanted to again, thank "Bullet" and Pat and Amy (owner's of the Corbett Country Market) for donating food gift certificates as awards to our most active Citizen Patrol volunteers. The volunteers patrol the gorge area in their own vehicles and using their own gas which can get quite expensive. Our agency is exploring the possibility of getting these volunteers their own unmarked patrol car or a donated car, however the agency must still research the funding for maintaining the vehicle.

Our county Radio Shop donated 10 radios that are no longer used to the Citizen Patrol. We'll soon have a total of 19 radios that will be available for use in Corbett in the event of an emergency or other natural disaster. As we've seen in New York City with Hurricane Sandy, cell phone systems were jammed or inoperable due to destroyed cell towers or towers with depleted backup batteries. If a similar event were to occur in the metro area, Corbett will be able to communicate throughout the metro area and into Aims and Cascade Locks. Radios would be dispersed to areas such as the local markets, the fire department, the school, the Corbett Grange, the churches and any other gathering point so that resources may be allocated appropriately. If you'd like to join or donate to the Citizen Patrol, please email Deputy Graziano or visited the website below for information.

Lastly, a local community member is having trouble obtaining a job because he no longer has a vehicle. If you have an adult-sized bicycle to offer as a donation, please email Deputy Graziano.
