PHOTOS

(Left) Our Sheriff's Office Color Guard marched in the Starlight Parade this past weekend. It was a nice experience for our deputies to represent the Sheriff's Office.

(Right) A man high-centered his vehicle on the train tracks in Warrendale. He waved frantically at the approaching train, however the train was unable to stop in time. Unfortunately the man fled from the scene and the investigation is pending. No one was injured and the train had no significant damage.

The Sheriff's Office Citizen Patrol is working with Multnomah County Emergency Management to secure grant funds for a Corbett-based radio repeater. This repeater would give the Citizen Patrol volunteers the ability to communicate throughout the gorge during patrols or a natural disaster. Volunteers were also recently trained to issue parking *warnings*. It's hopeful that this will assist deputies in alleviating some of the parking issue throughout the gorge during the busy summer months. It's possible that they may receive a limited commission to issue actual parking citations in the future. If you would like to volunteer or donate to the program please contact Deputy Graziano.
