This month we had reports of numerous suspicious vehicles driving up long driveways and then leaving after being seen. Please get a license plate and a description of the vehicle and occupants, only if you feel safe doing so. Then call the non-emergency right away (503-823-3333). Additionally, feel free to call or email Dep. Graziano with the information after you've called the non-emergency#. This will allow a deputy to immediately respond and Dep. Graziano will then add this information to a suspicious vehicle list for documentation.
