CORBETT CRIME LOG

DECEMBER 2015

Dec-01-2015	Tues	40 2015-54632	VEHICLE- RECOVER STOLEN	WOODARD/ 31000 block	
Dec-11-2015	Fri	40 2015-56240	VEHICLE- RECOVER STOLEN	LARCH MOUNTAIN/ 53000 block	

This large box truck slid off of Hulburt Road between Littlepage and Evans Rd. Luckily no one was injured. This was one of many weather-related crashes that deputies and Corbett Fire volunteers have responded to in recent days.

Senator Ron Wyden will be at a town hall meeting this Thursday 1/7/16 at 1PM in the Corbett High School gym. The public is invited.

Be in the Network!

If you're a Corbett area business or organization, please contact Deputy Graziano if you'd like to have the ability to use a radio to be networked with other organizations within the community.

How does this work?

Deputy Graziano can assist with a loaner radio or with the purchase and programming of a basic radio. Users can purchase their own radio from the internet for under thirty dollars. The radio could be left on all the time or used only during periods of foul weather or other emergencies. You could be a critical link in reporting on roads conditions to other users or assisting First Responders by providing valuable information about your area.
