

OREGON
SOLUTIONS

Columbia River Historic Highway Collaborative Meeting

Tuesday, January 19, 2016, 1:00pm to 4:00pm

Training Room, Bonneville Auditorium Building, Bonneville Dam (97014), I-84 Exit 40*

Introduction: The Columbia River Historic Highway continues to grow in popularity as does the Columbia River Gorge in general. The Historic Highway and supporting infrastructure, including parking areas on the Historic Highway and on I-84 at Multnomah Falls, have a limited capacity which is often reached. This Oregon Solutions project will identify solutions to some of the most immediate short term congestion and safety issues and a means to accomplish such improvements.

Meeting Objectives: Review and discuss each of the suggestions for short term improvements related to the reduction of congestion and improvement of safety; and, identify for each what is needed to complete the improvement and who can contribute toward completion or implementation. This effort will begin to inform the project participants' commitments toward achieving the project objectives through the Declaration of Cooperation.

AGENDA

1:00-1:15, Introductions and Welcome – Rep. Mark Johnson

(Multnomah Co. Commissioner Diane McKeel has a previous disclosed conflict.)

1:15-1:20, Oregon Solutions Process, Today's Meeting – Michael Mills, Oregon Solutions

1:20-1:40, Updates from Project Team Members

1:40-2:30, Review and Discuss Identified Short-Term Work Items

- What is the specific desired objective to be accomplished?
- What is needed to accomplish this? Are there obstacles to overcome?

2:30-2:40, Break

2:40-3:30, Second Round - Review and Discuss Identified Short-Term Work Items

- What might I, or my organization, contribute to completing this task?
- Are there others who might be able to contribute also? Who will ask them?
- Describe the times frame for completion.

3:30-3:45, Next Steps

- Commitments and assignments (sub-committees?)

3:45-4:00, Communications, Scheduling and Closing

- Communications with greater public? Online or public meeting?
- Confirm future meeting dates
 - Tuesday, January 19th, 1-4pm, Bonneville Dam
 - Tuesday, March 10th, 1-4pm, Bonneville Dam (*Revised*)
 - Tuesday, April 19th, 1-4pm, Port of Cascade Locks Marina, Historic House (*Revised*)
 - Thursday, May 12th, Declaration of Cooperation Signing, Multnomah Falls
