LEFT PHOTO- Citizen Patrollers Rick and Jim stopping for a quick break at the Corbett Country Market. Both have been very active members in patrolling around the community.

RIGHT PHOTO- Malcolm and Kathleen getting their "Voo Doo Donuts" in preparation for the grand opening event last Saturday on the new Sellwood Bridge. Citizen Patrollers typically patrol in east Multnomah County, Corbett and the gorge areas, however they are available to assist law enforcement when needed.

Cougars have been seen on Loudon Rd. and one apparently killed a farm animal. Please be aware and take precautions. Also, a young woman was killed on Oxbow Drive this morning, 3/1/16, by a large rotten tree. Falling trees have killed or injured several persons this past year.

Sadly, past NEMCCA President, Glenn Putnam, passed away yesterday at the hospital due to health reasons. He will be missed.
