The Citizen Patrol volunteers received a "Unit Citation" from the Sheriff's Office for their ongoing hard work and commitment to the community. They've volunteered countless hours and participated in numerous events in Corbett and the gorge.

There were 3 burglaries in the community this past month that are currently being investigated. In a separate incident, an adult male assaulted a family member causing serious physical injury. The man was arrested 8 days later, in Gresham, by a MCSO sergeant assigned to the U.S. Marshall's Task Force.

The Corbett Elementary School PTA generously donated \$940 to the Citizen Patrol. This money is being used to purchase 12 fluorescent rain jackets with labeling, 10 ball caps and 6 traffic safety vests for the members. Not all members have been able to purchase their own rain jackets or replacement hats, so this is a great plus for the program. The jackets will be divided among both of their patrol vehicles for shared use. Thank you PTA!
