Left Photo- Corbett Fire led a "Stop Kids Impaired Driving" (SKID) presentation for Corbett H.S. students. Actors played the roles of crash victims and parents involved in the incident. It was an emotionally powerful display of the consequences of impaired driving.

Right Photo- This pickup was seen stealing a trailer from ServPro at 0530 AM. It's possibly a Ford Ranger extended cab with chrome rims, a contractor's tool box in the bed and possibly a brush guard on the front grill area. Please contact Dep. Graziano if you have info about this vehicle. Several thefts from area properties have occurred this past month.

A "BOLO" (Be on the Lookout) page has been set up on the Citizen Patrol website for incidents like this: www.mcsocp.weebly.com
