

HELP US FIND BERNIE

Our sons kitty, that we have been babysitting while he was deployed, got out yesterday, 8/31/2016. He has always been an indoor cat. We have looked all around here (Lucas Rd).

He is really friendly and super clean (or he was anyway)

His name is Bernie, he is mostly orange with some white on him.

He is quite large and usually knows his name.

He loves people and I'm sure if he's around he is a bit freaked out.

Please call either:

JoDee @ 503-502-5136 or my husband, Chuck @ 503-502-5135

Thanks so much.

Keeping out fingers crossed!
