A citizen reported seeing the occupants of this pick-up truck driving slowly and suspiciously along Woodard Rd. with this load of tires. About 20 minutes after receiving the call, a deputy located the truck and occupants. They had just discarded the entire load of tires down a steep embankment. The driver was arrested and all of the tires were cleaned up on the spot. This past month there were numerous dump sites found in our area. Dumped items included tires, windows, siding, an old 25 ft. RV and an old boat and trailer. If you see suspicious activity please don't hesitate to call either 911 or the non-emergency#.

If you or someone you know loses power and heat during these cold winter months, there are shelter options available. The closest shelter to our area is located at: **St. Henry Catholic Church**
