Please visit www.mcsocp.com for Corbett/gorge area public safety updates. The website is updated approximately 2-3 times per month. There's a recent post about how online scammers con you out of your own passwords using very convincing methods.

The Larch Mountain snow gate is now open.

If you live near a vacant house that's for-sale, please watch for any suspicious persons or vehicles on the property. Recently, it was discovered that two homes had their realtor lockboxes cut or removed. In one case, the suspect replaced the lock with their own new lock.

The Sheriff's Office Citizen Patrol is looking for Citizen Patrol volunteers. Volunteers have discovered numerous suspicious incidents in the community since their inception in 2010. These incidents get reported to patrolling deputies. The primary mission is to deter crime by acting as "eyes and ears" for the Sheriff's Office. Members are trained and do not actively confront suspicious persons. Members only patrol when their schedule allows and they always work with at least one other member. Please visit the website listed above for the Citizen Patrol web page. There's a link on the website to apply online. If you'd like to visit one of the monthly trainings to see if it's a right fit for you, please contact Deputy Joe Graziano (listed below).
