Traffic congestion on a Monday afternoon (7/31/17) along the Scenic Hwy. near Wahkeena Falls.
The Oregon Dept. of Transportation (ODOT) is spearheading a vehicle congestion study to determine how to combat the increasing levels of traffic in the Columbia River Gorge. Heavy congestion such as this also slows response times for police-fire-medical personnel.

A deputy escorts one of two men to the back of a patrol car at Angel's Rest. The men were believed to have been "prowling" around to break into cars. Their vehicle contained numerous stolen items, credit cards, iPads and even a professional car entry tool used by locksmiths.

Make a difference in your community! Volunteer with the Sheriff's Office Citizen Patrol- contact info is below.
Also, prepare ahead for the solar eclipse on 8/21/17 due to the expected influx of 1 million or more visitors to Oregon. Stock up on food and fuel. Also expect heavy traffic congestion for several days and limited cell phone use.
