While conducting a foreclosed/abandoned house check, Citizen Patrol members noticed suspicious activity at an abandoned house. Deputies responded and found three persons, and their dogs, "squatting" in the house. Three stolen vehicles were also recovered on the property. The squatters had installed their own door and locks. One of the subjects had a warrant.

After the recent Eagle Creek Fire, it appears there were three burglaries and one vehicle break-in that likely occurred in the evacuation zones. Also, if you own a small business that was impacted by the fire, you can email em.dutyofficer@multco.us for assistance. A citizen found an unmarked urn dumped east of the Vista House. If you have any information please contact Deputy Graziano.
