The Citizen Patrol volunteer program recently received $7800 in grant-purchased uniform items. Numerous rain jackets, light-weather jackets, fluorescent vests, shirts and hats are being issued to members. Prior to this grant, members routinely purchased their own items for use during patrols and community functions.

The Citizen Patrol (CP) program is actively seeking new members. CP members are diverse in how they'd like to serve their community. Some have an interest in neighborhood watch-style patrols or assisting during community events. Others wish to focus on disaster preparedness, response and community resilience. Whatever your desire, the CP can find a spot for you. Free monthly trainings are offered each month on topics such as: 1st Aid, Disaster Response, Leadership, Traffic Crash Scene Management, Active Threats, Confrontational Simulation and more. If you're interested, you're welcome to attend a monthly training session. Please visit the website listed below for more information.
