Photo- Deputy McQueen from the Homeless Outreach Team (HOPE Team) offers assistance to a homeless man and woman in Troutdale. The couple had been in the Corbett area the week prior. In these situations, HOPE deputies generally offer resource information for clothing, housing, showers, counseling services and housing wait lists. Sometimes a deputy will give bus tickets to allow homeless person to access resource facilities in other parts of town. In this situation, the individuals were unaware of these services. In some cases, the deputy can even provide socks and shoes when needed.
