The driver of this vehicle suffered non-life threatening injuries during this rollover crash on Bell Rd..

The County Code Enforcement Officer recovered these plastic grocery bags from Corbett area roads. Someone has been filling bags such as this with feces. The bags are typically discarded in the traffic lanes, where they're usually struck by passing cars. If anyone has information about a possible suspect, please contact Deputy Graziano.

Deputies investigated complaints of an abanonded RV, partially blocking a lane and facing the wrong way on E. Columbia River Hwy., west of the Women's Forum. Upon investigating, deputies found that the RV had been moved out of the lane. However a deputy located a man that initally tried to flee the area on foot, disobeying deputy commands. The man was found to have a warrant. Drug paraphenalia, such as this glass pipe, were found inside the RV. The man was taken to jail for the warrant and the RV was tagged as abandoned. An abandoned dog was taken to the county animal shelter.
