On 5/14/20, MCSO deputies assisted in the pursuit of a man that had just killed his father in Washington. During the pursuit along I84 westbound, the man fired at officers and then carjacked an elderly man at gunpoint. Deputies "spike stripped" the suspect vehicle's tires at Bridal Veil and again at another location. An officer conducted a "PIT" maneuver which spun the suspect vehicle off the roadway, just east of the Sandy River. The suspect was taken into custody without further issues. A deputy, the carjack victim and the suspect all sustained non-life threatening injuries that required hospitalization.

Many MCSO deputies have been working long shifts and extra duty assignments due to the recent protests, some of which have turned violent.
