Two burglary suspects were apprehended at a local retreat center during the early morning hours after their car got stuck in the mud. The suspects had forcibly entered several structures and stole numerous items such as tools and flat screen TVs. One of the suspects was found, passed out, in the victim's work truck while the other suspect tried to get this car out of the mud.

The Corbett School Resource Officer position has been cut, so when school resumes, Deputy Kaiser will not fill that position. However, you may still see him on patrol in the community.

Deputies have been working numerous overtime patrol shifts, as well as working a security detail at the Justice Center building in downtown Portland. Several deputies have received minor injuries when working at the demonstrations outside the Justice Center.
