Corbett Report Log

December 2009

12/27/09	4:02 PM	Sun	Theft	Multnomah Falls	47314	9029
12/27/09	4:17 PM	Sun	Theft	Multnomah Falls	49584	9032

This was an unfortunate accident that resulted from a combination of excessive speed, studded snow tires and a curved road. This Ford Expedition struck this parked trailer and flipped. The trailer was loaded with antiques and other items. The trailer's owner had been working in the trailer all day and had just left to give a friend a ride...otherwise the owner would have been inside during the crash!

This crash occurred on Littlepage Road at the same location as fatal crash this past summer. Any police/fire/rescue personnel will attest: vehicle crashes offer some of the most horrific injuries to people. Please use extra caution and patience while driving during this new year.
