The new Corbett School Resource Officer (SRO), Dep. Joe Kaiser, pulled over a vehicle that was speeding through the school zone. Three recent high school graduates, not from Corbett, were in the vehicle. One of the young men was found to be heavily under the influence of LSD and marijuana. The young man was taken to a local hospital for evaluation.

There have been several drug and mental health related incidents this past month in Corbett where persons have been combative and/or an extreme danger to themselves.

The suspect in the rape incident listed on Corbett Hill Rd. has been arrested. The suspect and victim were not Corbett residents.
