Who We Are

The Oregon State Grange, founded in 1873, is a nonprofit, nonpartisan, fraternal organization that advocates for rural America and agriculture. Membership is open to anyone who is interested in agriculture, whether as a producer or consumer.

We are a grassroots organization whose policies are set by resolutions written by Community Granges and adopted by delegates to our annual State Grange Convention. We take stands on local, state and national issues. Our lobbyist expresses our views at the State Legislature. However, as an organization, we do not support candidates for office or side with political parties.

We are a family organization with programs and activities for family members age 5 and older. From its inception, our organization allowed women to hold any office and gave them the vote long before Congress did. At age 14, youth can hold any office and have a voice and vote on all issues. Those age 5 to 14 participate in the Junior Grange.

We are proud to have all generations work together, learn from each other and build a stronger community, state and nation.

*American Values.
Hometown Roots.*

For more than 140 years, the Oregon State Grange has

represented agriculture and family farmers; supported the Australian ballot, direct primaries, initiative, referendum, and women's right to vote; lobbied for rural residents on issues of private property, taxation, transportation, utilities and schools; and offered programs and activities for all family members age 5 and older.

In communities throughout Oregon, the Grange has encouraged youth in FFA, 4-H, scouts and school programs; participated in state and county fairs, presented scholarship to members and non-members; raised funds to assist local and national charities; provided meeting space for nonprofits and hall rentals for dances and community events; and served the community by volunteering countless hours to complete needed projects.

Grange Members serve their communities and cultivate life-long friendships.

Members say the lasting friendships, family environment, opportunities for community involvement, continuing personal growth and leadership development, as well as the ability to make a difference, are all reasons they, and many of their family members, have joined the Grange.

Grange Members have fun!

Grange meetings, activities and events always include a social aspect that has fellowship as a cornerstone. Members make friends in their community, their state and across the nation that last a lifetime.

“Through the Grange, I can better myself, my future, my community, my nation and the world.”

– Bob Ludi

The Grange is a highly engaged rural and agricultural advocacy organization that is proud to be the voice of rural America's communities across the United States.
